

Middle School: Design & Production

Audition Requirements

The Design & Production Department is looking for middle school students who have an interest and passion for the “Behind-the-Scenes” work that goes into all areas of production. Fields of interest may include Costume Design and Construction, Props, Stage Management, Electrical and Lighting Design, Sound Design and Engineering, Projections, or other applicable areas of expertise.

To apply to the SDSCPA Middle School Design & Production program:

1. Submit a digital portfolio that shows off your work and/or experience in “tech.”
Pictures of the items, drawings, or a written paragraph about the experience are all acceptable.
 - Have you worked on shows before? Show us some pictures or tell us about it.
 - Do you like to draw pictures of costume designs? We would love to see them!
 - Have you dressed up for Halloween or Comic Con in something you made all by yourself? Give us a glimpse!!
 - Do you make models out of clay? Those are props, and we want to see your work!If you have a visual art piece, a diorama, pictures of costumes you’ve made, holiday decorations you’ve designed and put up to show, or any woodworking you have accomplished, we would love to see it. If you have a passion for design, we are looking for you!

Don't have something to show, but want to learn?

Tell us about the things you are interested in, and why you want to learn more!

2. Submit a written or video statement. Please include responses to the following:
 - What is your first and last name?
 - What is your current grade level?
 - Why are you interested in attending SDSCPA?
 - Why do you want to join Design & Production?
 - What parts of Design & Production are you most excited about?

Students will be evaluated individually. Areas of assessment will include:

- Creativity
- Passion
